

Next time you see women being disrespected **DO SOMETHING**

SHOW

Shake your head or post a 🙅 emoji	Don't laugh because laughing says it's OK when it's not 😞	Leave the convo walk away, exit the group chat 🙅
---------------------------------------------	---------------------------------------------------------------------------	---------------------------------------------------------------

SUPPORT

Ask if she's OK in person or later	Acknowledge what happened	Back up mates taking action
----------------------------------------------	-------------------------------------	---------------------------------------

SPEAK UP

"Why is that funny?"	"That comment was off"	"Seriously? Let's move on"
-------------------------	---------------------------	-------------------------------

**Our
WATCH**

**Doing nothing
does harm**
